**Old Business:**

1. Tom Costello and Rudy Gaspar attended the Joint Plumbing Board meeting on February 25, 2014, which was held at the Johnson City Library. Rick Holden and Dan Feduke also attended. Motion made that they would jointly, with Binghamton, to use Prometrics to have tests in August. Rick Holden contacted Thomas Ditullio of the New York State Department State concerning the problem of Endicott not having a plumbing board. Consequently, we do not have an acceptable working relationship with Endicott at this time.
2. Kevin Carr did not respond to his sending a copy of BFPs listed and potential buildings that require BFPs.
3. No word on the appointment of John Hardy as a member of the Plumbing Board.
4. There was a proposal that Johnson City and Binghamton will employ Prometrics to use their testing in August. Binghamton has budgeted \$2,300 for this purpose.
5. Tom Burke is to follow up on the union giving training sessions.

**New Business as Old Business**

1. Tom Costello did not receive the information on George Slavik III or Mike Piccirilli regarding testing 1 & 2.

**New Business:**

1. Fred Meagher will contact Mayor David to check on the progress of John Hardy's appointment.
2. Tom Costello received a ruling from City Counsel that a quorum is 3 members out of 4 current members.

The next meeting is scheduled for **April 7, 2014** at **3:45**.

There being no further business before this Board, the meeting was adjourned.

Respectfully submitted,

Judy Coderre
